SPRING SUPER ADOPTION (Warner Center Park, Woodland Hills)

SAT & SUN, MAY 19th-20th, 2018

Time: 11.00am - 3.00pm

Hosted by Best Friends Pet Adoption

Super Adoption weekend unites dozens of shelters and rescue groups around one mission: find homes for as many pets as possible. This fun-filled event is a fantastic way to meet hundreds of adoptable animals without having to run all over town and, possibly, to take one home. Super Adoption spreads the powerful message of animal adoption, educates families on the benefits of pet ownership and provides dozens of local rescue groups with a platform (at no cost) to showcase the many wonderful animals looking for forever families. Last year, at our 2017 NKLA Super Adoption Weekend, over 70 groups participated, more than 20,000 potential adopters attended and over 650 animals were given a second chance at happiness.

Location: 5800 Topanga Canyon Blvd Woodland Hills CA 91367

RATTLESNAKE AVERSION CLINIC FOR DOGS (Calabasas)

MAY 26th, 27th & 28th, 2018

Time: 8am - 5pm, Appointments as available .

Because of their naturally curious behavior, dogs are 20% more likely to get bitten by a rattlesnake than a human is! MRT is teaming up with dog training expert Fred Presson, of High On Kennels, to host a series of training clinics from March to September. Your puppy pal will be trained to know the scent, sight, and sound of a rattlesnake, and how to stay away from it.

Visit our website to learn more about our clinic and to register your pup for a class, or click on the link below!

Location: Headwaters Corner, 23075 Mulholland Highway, Calabasas, CA 91302
